Issue # 7
July
2022

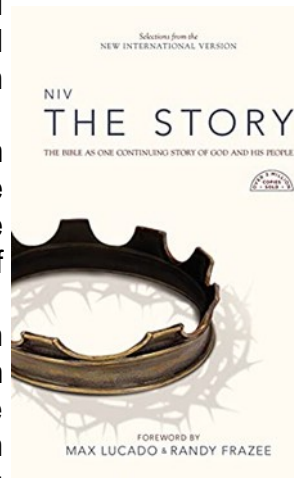

Don't you love a good story? English profs and neuroscientists teamed up to explore the power of a story in the human brain. They found that stories not only convey information, but foster a connection between the storyteller and listeners.

So what about our connection with God? The “Greatest Story Ever Told” is more than just a cliché. The Bible is the true story of God going to the greatest of lengths to rescue his lost and hurting people. Would you listen to this story again with me?

This Fall I'm inviting the whole congregation to join me in reading *The Story*. It's an abridged, chronological Bible that reads a little more like a novel. Will you experience the Word in a new way? Get swept up in the story of God's love and the story of his plan for your life?

Each week we'll focus on the next part of *The Story* in worship and there will be various weekly discussion groups. If you'd like to read one ahead of time, there are copies of *The Story* in the East Room for a suggestion donation of \$5. (Note: if you have Amazon Prime, you can get a digital copy for free!)

that Middle School Youth group is again hosting the hot dog booth at **the National Night Out in Campbell Park** on August 2, 2022. They will be selling hot dogs and chips and get a stipend from the Huron Police Dept. Contact the church office or Lisa Gogolin to help with this project.

**The 38th Annual National Night Out
August 2, 5–8 pm
Campbell park. See you there!!**

National Night Out...

...is a campaign involving citizens, law enforcement agencies, civic groups, businesses and local officials. The program is designed to heighten crime and drug prevention awareness, generate support for and participation in local anticrime programs. Strengthen neighborhood spirit and police community partnerships and send a message to criminals letting them know that neighborhoods are organized and fighting back.

The goal is to make a city wide block party, including food, informational booths, contests, demonstrations and various youth activities.

Donations of Ice, Hot dogs, Buns and Water are welcome. Contact the office 352-8789 or Lisa Gogolin.
